Real Kiln-Fired Clay Brick

Thin Brick is “in” because Thin Brick is real, kiln-fired brick, cut thin for ease of installation and design flexibility.

Thin Brick does not require any special structural support.

For more information including our INSTALLATION GUIDE, go to www.generalshale.com.

You can now have brick in almost any part of your home... Interior Walls, Kitchen, Hallways, Wine Cellar... Anywhere... Even on the Ceiling! Thin Brick is perfect for Exterior Renovations too!

These photo samples are intended to represent general color range and texture. Precise color fidelity is difficult to obtain in print. Brick selection should be made from product samples.
